

Memorandum of Understanding
Between China Shenzhen Polytechnic and Russia
Samara State Technical University

Shenzhen Polytechnic and Samara State Technical University have reached the agreement hereunder on cooperation projects both interested in scientific research, higher education and other fields as well as for further exchange in the future:

I

1. Both parties shall jointly study and conduct cooperation projects.
2. Both parties shall establish Joint Education Research and Scientific Research Projects on subjects and issues both interested as well as set up Project Funds.
3. Both parties shall exchange their own scientific achievements.
4. Both parties shall send visiting professors, experts and students to conduct exchanges, scientific researches and teaching as well as exchange experience in teaching methods and improving teaching skills. Separate Exchange Agreements shall be concluded and signed in accordance with specific cooperation conditions and terms on exchange participants, duration and other related matters. Exchange study shall be conducted on an equal footing. In case of difference in exchange participants, Agreement shall be concluded and signed by both parties.

5. Both parties to this Agreement shall provide each other with information related to cooperation projects such as International Forum, Symposium, Important Celebrations, etc.

6. Both parties to this Agreement shall be entitled to conduct cooperation projects in other forms.

II

Both parties to this Agreement shall conclude and sign separate Supplemental Agreements on specific exchange projects and related costs of scientific research during the cooperation period.

III

Through mutual consultation, both parties shall be entitled to amend or supplement this Cooperation Agreement to expand and deepen fields of cooperation. New agreements amended and supplemented shall be effective upon signing by both parties.

IV

This validity of this Agreement shall be five years, effective as of the date of signing. In the event that neither party proposes to withdraw from the Agreement within six months prior to the expiration of this Agreement, this Agreement will be automatically renewed for another five years upon expiration. Both parties to this Agreement shall be entitled to conclude and sign specific Project Agreements under the prerequisite of this Agreement and in accordance with specific cooperation projects. Project Agreements shall be automatically nullified

upon completion of the Projects.

Y

Both parties to this Agreement shall fulfill their respective responsibilities. In case of failing to fulfill the terms stipulated in this Cooperation Agreement by either party, the countries of both parties shall not be held accountable for any responsibilities.

This Agreement is made in quadruplicate, two copies in Chinese and two copies in Russian. The two language versions have equal legal effects and each party shall hold each copy in each language version thereof.
