

# AGREEMENT

**on scientific and educational co-operation** between

Research Institute for Problems of Mechanical Systems Reliability,  
Federal State Budget Educational Institution of Higher Vocational Education  
**Samara State Technical University (Samara, Russia)** and

Faculty of Aeronautics and Astronautics,  
**Istanbul Technical University (Istanbul, Turkey)**

Following the aspiration to fostering links between our countries and universities and taking into consideration interests of both parties in promoting mutual beneficial co-operation in the field of aerospace research and education

Research Institute for Problems of Mechanical Systems Reliability (PMSR) with Research - Education Centre (REC) "Information Space Systems" (ISS) of **Samara State Technical University (SSTU)** in the person of **Vice Rector, Professor Maxim Nenashev** and

Faculty of Aeronautics and Astronautics of **Istanbul Technical University (ITU)** in the person of **Dean, Professor Metin Orhan Kaya**

(hereinafter referred to as «parties») agree as follows:

## I

The parties will carry out the following activities within the long-term cooperation:

1. Exchange of students and teaching staff in accordance with requirements accepted in both countries. The purpose of exchange, a number of exchange members, terms and duration of stay as well as other provisions will be specified by the Working Program attached to the agreement.
2. Joint research in the fields of mutual interests and accordance with the available funds, including joint projects by Russian Foundation for Basic Research (RFBR) and the Scientific and Technological Research International Bureau of the Federal Council of Turkey (TÜBİTAK).
3. Joint publications on the results of research on the directions presenting mutual interest.
4. Exchange of information about research achievements as well as the most important and of mutual interest conferences, symposia and arrangements connected with celebration of jubilee dates and memorable events.
5. Other forms of co-operation presenting mutual interest.

## II

On the basis of the agreement the parties will compose the Working and Financial Programs of co-operation comprising specific measures to be implemented that will be considered and signed as separate documents.

**III**

Both parties may offer amendments and additions to the agreement aiming at fostering cooperation. They are moved in a written form and become valid only after signing them by officials of both parties.

**IV**

This agreement becomes valid immediately upon signing it by officials representing the two parties. It will remain in effect during five years and can be renewed until either party gives a written notice to the other of intention to terminate the agreement. The termination notice should be given at least six months in advance. The agreement is considered to be cancelled after any sub-agreements acting in the frames of the above agreement and then in progress is completed according to their terms.

**V**

The states of the parties do not bear responsibility for improper execution of the obligations taken by the parties in conformity with the agreement.

The agreement has been written in duplicate in English, each of those duplicates being deemed as original.
